Dear Fellowship Member,

Our North East Regional Spring Leadership Conference will be held April 23-25 in scenic Lancaster, Pennsylvania at Double Tree Resort Lancaster/Willow Valley. Enclosed is the registration information for the upcoming conference. Room **reservations must be** made directly with Double Tree by **March 20th**. Your room can be reserved by credit card, or by sending in a \$75 deposit directly to the hotel. The contact person concerning rooms is Heather Manley. After this deadline rooms will be confirmed based upon availability. I believe you are going to love the new look and improvements now that they are affiliated with the Hilton!

Pre- Registration for the Leadership Conference is due by **April 14th**. All who pre-register for the full conference will receive the Monday evening banquet FREE! New members who have joined since last April 2011 like previous years will receive FREE registration—just mark “*new member*” when you send in your registration. Registration is also FREE to members who have never attended a spring conference and are attending for the first time. Conference registrations should be mailed to the regional office, 6099 Ocean Gateway, Trappe, MD 21673. Please make your checks payable to “The Fellowship NE”.

Our 2012 Spring Conference looks to be an exciting time! Our speaker for Tuesday morning and evening services is evangelist Leon Batchelor who has been in ministry for over 36 years. Leon and his wife Robbie were the senior pastors of Lakeview community Church near Tyler Texas for over 28 years. They now travel, singing and preaching God's Word throughout the United States. This couple will bless you with their anointed ministry in word and song.

There will be a special luncheon for the ladies of the North East Region on Tuesday, hosted by our board members wives which will feature a buffet lunch at the Willow Valley family restaurant.

Our annual business meeting will be held on Wednesday after the morning session. We will be voting on a vice president and two of our International Board Members. Please be in prayer as to who you would like to see serve in these positions for the next two years. Information on qualifications as well as nomination ballots will be included in your registration packets which you will pick up at Willow Valley.

Please join with me, and our International Board members, as we gather together for our Spring Leadership Conference 2012. We are looking forward to a renewal of our faith, and a fresh outpouring of Pentecostal power as we come together to worship the Lord! It is your attendance, and the presence of the Holy Spirit which makes each conference an inspiring event. See you in Lancaster!

In His Service,

Derwin B. Lowe, VP North East Region
